Dear Voter,

Welcome to the Alameda County Voter Information Guide for the June 16, 2026, Congressional District 14, Special Primary Election.

This Voter Information Guide is for one of two separate primary elections taking place in 2026. You should have received, or will soon receive, your Vote by Mail Packet for the June 2, 2026, Statewide Direct Primary Election. You are eligible to vote in both elections.

The Special Primary Election will be held on Tuesday, June 16, 2026. If no candidate receives a majority of the vote, a Special General Election will be held on a later date.

The ballot for this election contains only one contest and one ballot card. It is for the Special Primary Election to fill the vacant seat in Congressional District 14 following the resignation of Representative Eric Swalwell. This election is conducted separately due to different legal timelines and requirements that do not align with the Statewide Direct Primary Election.

The Statewide Direct Primary Election is a regularly scheduled election that includes candidates for federal, state, and local offices and has multiple ballot cards.

Each election packet includes its own return envelope. Be sure to use the correct envelope for each packet.

Return ballots from different election packets separately.

Do not mix ballots or swap envelopes.

We understand that receiving multiple election packets may be confusing. However, this process ensures accuracy, transparency, and timely certification of results.

Please contact us if you have any questions.

Thank you for voting!

More Days, More Ways to Vote

WHAT IS THE VOTER'S CHOICE ACT?

The California Voter's Choice Act modernizes elections in California by allowing counties to conduct elections under a model which provides greater **flexibility and convenience for voters**.

Voters will have more options and **will get to choose when, how, and where** to vote.

- **More days:** you now have more days to vote at any Vote Center location in Congressional District 14.
- **More ways:** through the mail (every eligible registered voter in Congressional District 14 will receive a Vote by Mail ballot starting 29 days before Election Day), dropping off your Vote by Mail ballot in a 24-Hour Official Ballot Drop Box, or in-person at a Vote Center.

WHAT IS A VOTE CENTER?

You can choose where you want to vote.

Unlike traditional polling places, Vote Centers allow you to:

- Vote anywhere in Congressional District 14
- Solve voter registration issues
- Register to vote
- Get a replacement ballot
- Receive assistance for 11 days, not just one

On June 8, 2010, California voters approved Proposition 14, which created the "Top Two Open Primary Act"

Voter-Nominated Offices

Under the California Constitution, political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the following general election. A candidate for nomination or election to a voter-nominated office shall have his or her party preference, or lack of party preference, reflected on the primary and general election ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not constitute or imply an endorsement of the candidate by the party designated, or affiliation between the party and candidate, and no candidate nominated by the qualified voters for any voter-nominated office shall be deemed to be the officially nominated candidate of any political party. The parties may list the candidates for voter-nominated offices who have received the official endorsement of the party in the sample ballot.

All voters may vote for any candidate for a voter-nominated office, provided they meet the other qualifications required to vote for that office. The top two vote-getters at the primary election advance to the general election for the voter-nominated office, even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation participate in the general election unless such candidate is one of the two highest vote-getters at the primary election.

If one candidate receives more than 50% of the votes cast at the special primary election, he or she will be elected to fill the vacancy and no special general election will be held.

Candidate's Statement
UNITED STATES REPRESENTATIVE
14TH CONGRESSIONAL DISTRICT

RAKHI ISRANI SINGH
Occupation: Educator/Non-Profit Attorney
My education and qualifications are: Today, families are being squeezed by the high cost of living, and Trump's policies are making it worse. His tariffs and healthcare cuts are driving up prices and threatening our rights. As an educator and non-profit attorney, I'm running to restore trust in the government and reestablish the rule of law. My parents once survived losing everything as refugees. America gave them opportunity. The same opportunity it has given generations of families who have come here to work, build, and contribute. Our district deserves an economy where small businesses thrive and workers earn fair wages. That's the American promise, and I'll fight to protect it. I've created jobs, built organizations and delivered results. I founded an education company in the East Bay that serves students across America and has employed hundreds. I believe we must innovate and invest to create well-paying jobs. I've spent my life standing up for the most vulnerable. I spearheaded a global movement to combat human trafficking and sexual abuse of young girls. As a leader of a national humanitarian organization, I led government affairs and helped deliver emergency services to natural disaster victims, families in crisis, and social services to disadvantaged communities. I'm running to defend our democracy, tackle corruption, expand opportunity, and give every family a fair shot at success. I support term limits, banning insider trading by politicians, and mandatory retirement at age 75 for the President and Congress. I will fight for your family and mine. www.RakhiForCongress.com

MELISSA HERNANDEZ
Occupation: Healthcare Services Diretor
My education and qualifications are: We are in a cost-of-living crisis. I'll take my leadership and experience to Congress to lower costs and expand economic opportunity. Here, in Congressional District 14, we're experiencing a betrayal of trust. We deserved better. This community needs a leader who can rebuild trust. I have the support of so many people here - firefighters, workers, mayors, leaders -- because they know me, know I've always delivered on my promises, and know I'll be effective in Washington. I've lived and worked here for 30 years. I raised my kids here. I love our community. My parents were migrant farm workers. As a single mom, I worked to pay my way through college. I understand the economic challenges you face, because I faced them, too. I'm the first Latina to serve as Dublin Mayor, where I led it to a "Best Places to Live" designation, building housing at every level of affordability and advancing policies to create jobs. I know how to bring down the costs to build new housing and prioritize growing small businesses to strengthen our local economy - my top priorities in Congress. As Director of Healthcare Services for an Alameda County Supervisor, I work to expand access to affordable, quality healthcare. I'll do the same in Congress. I'll use my experience and energy in Congress to drive down the costs of housing, healthcare, and childcare, and prevent cuts to Social Security and Medicare. In Congress, you'll always come first for me. I'd be honored to have your vote. Melissahernandez2026.com

SHERIENE RIDENOUR
Occupation: Administrative Law Judge
Age: 46
My education and qualifications are: Throughout my life and career, I have approached every challenge with determination, integrity, and a commitment to doing what is right. I am a dedicated public servant who understands that leadership is not about personal ambition, but about listening, learning, and fighting for the needs of others. I believe in honest government, thoughtful solutions, and the power of bringing people together to address the issues that matter most. Matters such as affordable housing, health care, education, food and gas prices, and many times just trying to survive. I have resided in Castro Valley for nearly 40 years and have lived the realities that many in our district face. The 14th district is my home. I am a product of the educational system, patronage of the local business, and champion of our community. I know what it feels like to face financial pressure and uncertainty. I was raised by a single mother and know the realities of having to choose food for the family or pay the utility bill. I know what it is like to have the desire for education, but the reality of tuition. I know what it is like to have to dig deep within to persevere. I understand the challenges families face because I've experienced them alongside you. I am prepared to bring that perspective to Congress and will fight for practical policies, responsible leadership, and real results for our district. I ask for your trust in my dedication to our district and for your vote.
